Specialized Equine Pasture Blends

AGISTA BROOD

AGISTA BROOD is a productive, persistent blend designed for broodmares standing at stud, it is easy on mares in foal or with foals at foot. **Agista Brood** is suited to year round production under irrigation or in high rainfall temperate regions. *Arrow* and *Alto* perennial ryegrasses provide strong early autumn to late spring growth. *Dovey* tall fescue and *Bareno* brome combine for high, spring and summer palatable feed production. **SARDi 7** lucerne is a persistent perennial legume base for productive year round growth.

Blend ingredients

Arrow	ryegrass	25%
Alto	ryegrass	25%
Dovey	Tall fescue	20%
Bareno	Brome grass	15%
Sardi 7	Lucerne	15%

Option: White or sub clovers can be added if required. Sowing rate: 25kg/ Ha

SALE TOPPA

SALE TOPPA is a fast establishing, highly productive finishing pasture for performance, prime bloodstock yearlings. **Sale Toppa** is suited to irrigation or high rainfall applications and provides very high quality feed where preparation for yearling sales is a priority. *Bealey* tetraploid perennial ryegrass and *Barberia* long rotation ryegrass provide high quality growth through winter to early summer, when it is most needed. **SARDi 7** lucerne and sub clovers maintain a year round productive legume base. *Bareno* brome rounds out the summer grazing potential of this performance blend.

Blend ingredients

Bealey	Ryegrass	25%
Barberia	Ryegrass	25%
Bareno	Brome grass	15%
Goulburn/Riverina	Sub clover mix	20%
Sardi 7	Lucerne	15%

Sowing rate: 25kg/ Ha

DRY SPELLA GP

DRY SPELLA GP is a solid combination of hardy perennials and annual clovers. It produces a balanced, general purpose dryland pasture for healthy maintenance feed in resting paddocks providing year round feed to dry mares in spell, pleasure or work horses. It is suited to a wide range of soil types in moderate to high rainfall area's. **Dry Spella GP** contains a productive mix of persistent perennial grasses and a sub clover and lucerne legume base. **Dry Spella GP** is highly productive in good seasons and very persistent in tough years.

Blend ingredients

Meridian	Ryegrass	25%
Dovey	Tall fescue	20%
Holdfast	Phalaris	20%
Howlong	Cocksfoot	10%
Goulburn/Riverina	Sub clover mix	15%
Sardi 7	Lucerne	10%

Sowing rate: 15kg/ Ha
